EARLY LEARNING CENTER

Hello from the ELC!

We hope that you have had a wonderful summer. We have, but are looking forward to school beginning next month.

Our teachers have made, and continue to make, home visits to the children attending the ELC this fall. The children have been super excited about these visits and can hardly wait to begin school. Many wanted to leave right with the teachers and go to school right away! ☺

We have our parent orientation on Wednesday, September 7, at the church. This will be a session specifically for the parents to learn about their role in our program. Then school begins the next week!

We will once again be selling "Fun Pasta". This is pre-packaged, shaped pasta. Some of the shapes might be sports teams, animals, sports, etc... The pasta is reasonably priced and will make excellent gifts for friends, wonderful stocking stuffers, or just something different and fun for a night at home. Look for a table to be set up in between services this fall.

Last but not least, we still have a few slots available in our 2's, 3's and 4's programs. If you know someone still looking for a preschool, send them our way.

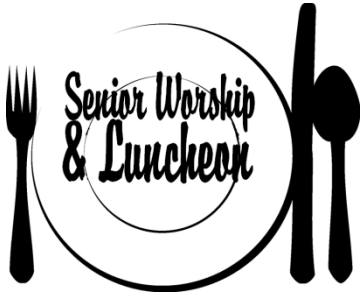

Michelle

PRAYING FOR OTHERS

We all appreciate an encouraging word or gesture. It makes us feel good to know that someone cares enough about us to pray for us. We have had a few members of Grace who had potentially significant illnesses. They informed me that tests were being run and that they would get results back shortly. All I could do as a pastor is tell them that they are in my prayers. I had a couple of restless night's sleep as I woke in the night and asked God to be with those individuals awaiting test results. I wish I could have done more for those people but I did what Jesus calls us to do, and that is pray for one another. Find someone in the church who could benefit from your prayers and lift them to the Lord by name. It will do those you pray for an immense amount of good and it will help to take the focus of your life off you and put it on someone else for a few minutes. Those people I spoke about earlier who were awaiting test results got those results back and I'm glad to say it was all good news. Let us pray....

Pastor Tom

Welcome all seniors. Service at 11:00. Luncheon to follow.
Wednesday, September 21, 2011.

Dear Pastor Sharon and Circle Friends,

Mom and I would like to thank you all for your love, prayers and the beautiful, delicate Campanula plant! Your visits and cards and caring are such a comfort to Mom and our family!

Bless you all, Helen Hiser & Bonnie Loepke

A NOTE OF

I would like to thank everyone for their prayers, cards and words of encouragement during my recent medical problems. I especially would like to thank Pastor Tom for his strong support and his words of "wisdom". I know I could not have gotten through this without all of your support. With God's will and your prayers, I am hoping to keep this in remission for years to come.

Thanks again, Darrel Sterzinger

Dear Ladies (Fellowship committee),

We wanted to thank you so much for all your help in making my mother's memorial service so nice.

John & Linda Hewett

I would like to thank Love Day Ladies for making the beautiful prayer quilt and all who said a prayer for me. I absolutely love the quilt and I will enjoy it for many years. I'm starting to feel much better and hope to be up and around soon.

Thank you again for the beautiful quilt. Iris Barlow

Thank you to the anonymous donor who purchased the new furniture for the pastors' office. While we don't know who you are, we certainly appreciate what you've done. The office looks so professional and beautiful. We are reminded of your generosity and thoughtfulness every time we walk in.

Thank you, thank you, thank you! Pastors Tom and Sharon

GLEANERS COMMUNITY FOOD BANK

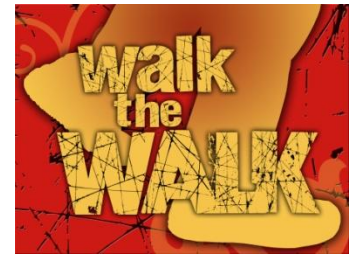

The items from the food collection cart in the narthex were taken to Gleaners Community Food Bank in August. **One hundred and twenty-five pounds of food were donated from Grace.** Thank you for helping to support those in need in our community. Please continue to bring non-perishable food items in to the grocery cart.

NAMIWalks

I would like to tell you about an upcoming event that I am participating in that is both very important and very exciting to me. NAMIWalks, the signature walkathon event of the National Alliance on Mental Illness (NAMI), is being held at Oakland Community College (OCC) on September 24, 2011.

Many of you know my 27 year old son, Charles, was diagnosed with bipolar disorder when he was 17. Since then I have been my son's advocate and have been active in NAMI in Livingston County.

I would like to ask you to come and walk with me or to donate to support my participation in this great event. Visit my personal walker page to sign up or to donate: www.nami.org/namiwalks11/MIC/cmhayes. It features a link to my team's page where you can see who else is walking with me. There is also a link so you can donate directly to me online. Donating online is fast and secure and I'll get immediate notification via email of your donation.

NAMI is the largest education, support and advocacy organization that serves the needs of all whose lives are touched by these illnesses. This includes persons with mental illness, their families, friends, employers, the law enforcement community and policy makers. The NAMI organization is composed of approximately 1,100 local affiliates, 50 state offices and a national office.

The goals of the NAMIWalks program are: to fight the stigma that surrounds mental illness, to build awareness of the fact that the mental health system in this country needs to be improved and to raise funds for NAMI so that they can continue their mission.

NAMI is a 501a(c)3 charity and any donation you make to support my participation in this event is tax deductible. NAMI has been rated by Worth magazine as among the top 100 charities "most likely to save the world" and has been given an "A" rating by The American Institute of Philanthropy for efficient and effective use of charitable dollars.

If you choose to make a donation by check, please send checks to my home address: 122 Edgemont Dr, Howell MI 48855, and make them payable to NAMI-Michigan.

On behalf of my family, I thank you for your support.
Cheryl Hayes

Top Ten Stewardship Verses

10: 2 Corinthians 8

"Anything you can do I can do better"

Generosity is not circumstantial and giving is a privilege. In this passage, Paul uses the story of the Macedonians' abundant generosity in the face of trial to encourage the Corinthians to give generously.

9: Micah 6:8

"Three steps to the good life"

The focus of stewardship is not our money or our possessions, but rather the attitude of our heart. The attitudes of justice, kindness and humility shape the way we view, use and give our money and possessions.

8: Luke 18:18-27, especially 18:25 (Mark 10:17-22)

"Let's hope that camel has been on a diet"

Stewardship is a matter of the heart. Our possessions often interfere with our relationship with God, steering our focus from creator to creation. Although wealth brings many privileges and benefits, Jesus cautions his followers to beware of wealth's power to lure their hearts away from God.

7: Genesis 1-2:4, especially 1:26-27, 31

"Who do you see when you look in the mirror?"

Stewardship originates from the creation story. In this story, God impresses God's own image upon humanity and charges humanity to care for all creation. God is the maker of all things and we are called to be responsible stewards of God's creation.

6: 2 Corinthians 9

"Reaping, sowing and your pearly whites"

God provides all that we need and we give in response to God's provision. God desires intentional gifts that can be freely given with a smile. As we give we not only meet the needs of others but we also give thanks to God.

5: Luke 19:1-10

"So money does grow on trees"

Stewardship is, first and foremost, about relationships. Zacchaeus' relationship with his possessions, and by consequence his relationship with others, is affected by Jesus' initiation of a relationship with him. Through our relationship with Jesus we are changed; our relationship with Jesus ignites within us a desire to use our possessions responsibly to meet the needs of others.

Continued on next page..

4: Luke 21:1-4 (Mark 12:41-44)

"Two coins makes all the difference"

Jesus commends the widow for giving all that she had to live on. As stewards we are called to give our whole life—time, talent and treasure—to God. We are also called to create sustainable systems of giving so that the rich do not prosper at the expense of the poor. Stewardship is for everyone, the rich and the poor.

3: Matthew 6:21 (Luke 12:34)

"Burying your treasure in the clouds"

Where you put your money takes your heart with it. "The point isn't that how we spend our money reveals what sort of people we are, but that how we spend money determines what sort of people we become." (*Giving to God*, Mark Allan Powell, Robert and Phyllis Leatherman professor of New Testament, Trinity Lutheran Seminary)

2: Luke 10:25-37

"Yes, your neighbor includes that random naked guy"

The parable of the Good Samaritan reminds us that we, as stewards of God's world, are called to care for all creation, including our neighbors. Good stewards recklessly give of themselves to their neighbor and in doing so model God's love for all creation.

1: Matthew 25:13-40

"Where have you been hiding your money lately?"

The parable of the ten talents emphasizes that we are all stewards, no matter how little or how much God has entrusted us with. As stewards, how we spend, save and share our money matters to God.

SOCIAL MINISTRIES COMMITTEE

Team Grace..... Grace Filled Walkers!!

Thank you to everyone that helped with the tea and puppet show August 7. Those that missed it missed a great entertainment venue and wonderful food! Grace Filled Walkers raised \$190.00 for the American Cancer Society Relay for Life.

We have raised just under \$1000 with our Grace supported fund-raising. Thank you to all who have helped.

September 10, 9 a.m.–12 p.m. is the Strut Your Mutt event. The registration fee is \$15.00 and forms are on the bulletin board. Donated goods for our raffle include two \$60.00 gift certificates for Create a Pet in Brighton along with other interesting items! Some lucky family will win an afternoon of fun creating a one of a kind stuffed pet.

Also on the bulletin board is a sign-up sheet to volunteer for the Grace Filled Walkers team that will represent Grace Lutheran Church at the Relay for Life. Let's show the county that Grace Lutheran is here to support those suffering with cancer, to honor those that have lost the battle and to celebrate those family members, friends and neighbors that have won the battle against cancer.

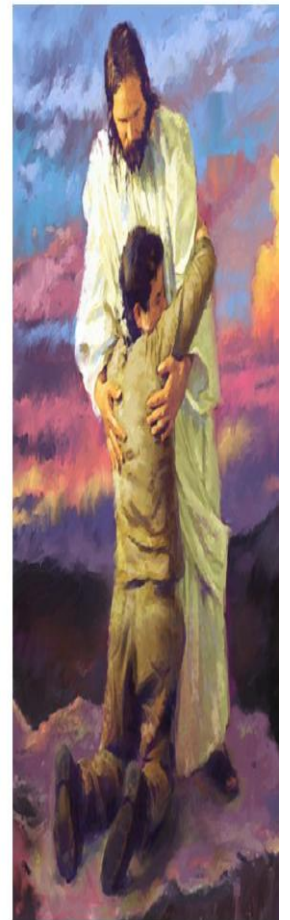

On October 15, downtown Howell will be supporting a Making Strides Against Breast Cancer Walk. Grace Filled Walkers will again have a chance to show we care by supporting this event. The American Cancer Society (ACS) Making Strides events raise the awareness of the needs of those suffering with breast cancer. Making Strides helps patients get to appointments, encourage patients to feel good about how they look and have volunteers that teach what to do with wigs and makeup. ACS Making Strides volunteers walk along side of breast cancer patients to encourage and give support.

As the seasons change we approach the need to turn up the thermostat. OLSHA annually helps the community distribute funds to those in need of assistance to stay warm. OLSHA will host a fun filled event this winter where Grace Filled Walkers will be able to again be visible in the community. Don't put away the walking shoes! More information will follow.

The Social Ministries committee is excited to be working closely with our youth in upcoming events. Our vision is Team Grace out in the community led by our youth and supported by our congregation.

*The King will reply,
Truly I tell you,
whatever you did for
one of the least of these
brothers and sisters of
mine, you did for me.'*

Matthew 25:40

“It is useless to pray for more knowledge, power or faith, until you begin to use what you have already.”
—Henry Bucklew
