Weddings

If you are getting married soon, we want to say congratulations and we wish many blessings on your relationship! We believe that marriages should be God centered and we are eager to share with you what that means and to encourage you as you begin this wonderful new journey in life.

Weddings here at Grace are available to members and non-members alike and in that way, all are welcome. Pastoral premarital counseling is required and always available for anyone who wishes.

If you are interested in learning more or have questions of any kind, please contact the Church office at (517)546-3350 to schedule a tour of our facilities and set up a consultation meeting.

Our staff is able to help in all facets of your wedding. We can provide coordinator services* and pre-marital discussions to ensure your marriage gets off on the right foot!

*Services may be supplied through independent contractors and will determine their own fee schedule.
