## **Is drawing closer to God worth six hours of your time?**

*Discovering God's Vision for Your Life* is a complete set of integrated resources used to establish a spiritual gifts ministry. It provides an effective, biblical solution that leads individuals to thriving in ministry and mission.

The centerpiece of *Discovering God's Vision for Your Life* is a six-hour course over two sessions that helps people understand spiritual gifts, find out what their own gifts are, and get excited about using those gifts in ministry.

Through *Discovering God's Vision for Your Life*, people are mobilized as ministers—called by God to use their unique spiritual gifts.

Bring a small group from your congregation to get even more out of the offering!

The excellent materials used in this workshop are produced by Stephen Ministries and the cost of the class pays for these.

*"For those who live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit set their minds on the things of the Spirit."* Romans 8:5
